

## 2015-16 Salary Scale Policy

Denver School of Science and Technology Public Schools establishes teacher and administrative salaries individually, based on an employee's job duties, experience, qualification, needs, and performance, as well as comparison to salaries for comparable positions in other schools or districts, and defines those salaries through individual contracts of employment. The schools currently pay in the range of \$38,000-\$68,000 for full time teaching positions. The schools' administrative salaries range from \$25,000-\$95,000.
