

New Student Academy 2021

Welcome new Falcons to the 2021-2022 school year at DSST: Byers! As a reminder, attendance during New Student Academy is **crucial** for all students new to DSST. We are excited to have your child begin their path to college at DSST: Byers. New Student Academy is one of the most important program requirements that we have to facilitate our students' transition to middle school, and for students new to DSST: Byers to join their classmates. Success in middle school is a critical first step to ensure that 100% of our students are prepared to be successful in the 21st century. More information on NSA will be coming soon but save the date for now!

Dates: July 27th-30th

Times: TBD

Location: DSST: Byers Middle School, 150 S. Pearl St.

If you have any questions, please feel free to contact us. We look forward to starting our summer program on a strong note, and preparing all students for success.

Sincerely,

Katie Ethridge
