

A Learning Experience that Changed Me:

My senior year literacy teacher taught me the power of vulnerability and sharing experiences, even if they are uncomfortable! This has allowed for some pretty powerful experiences and relationships to take place inside and outside of the classroom.

My Favorite Book:

The Harry Potter Series by J.K. Rowling

My Hobbies and Interests:

Harry Potter, miniatures, skiing, watching football, spending time with family and friends.

Prior Experience in Education:

My first teaching experience was 6th grade social studies at a different middle school in Denver. I have also taught fifth grade and kindergarten. I am so excited to be back in middle school!

Something Super-Unique About Me:

I have a photographic memory and am left-handed!

Why I am Excited About Working at DSST:

I love DSST's mission of eradicating educational inequity in Colorado. I also cannot wait to meet my incredible students and be part of a Blue Ribbon school!
