Dear families,

This is an announcement regarding a departure of one of the members of our Byers leadership team this week. As you know, we have prioritized special education this year and will continue to as a school community. One part of our goal focus was hiring an outstanding special education leader, Rachael Moore, as a Director of Special Services this year. Sadly, Ms. Moore will be leaving Byers to take on another opportunity within special education in Ohio effective this week.

We are deeply grateful to Ms. Moore for her commitment to our mission this year and will miss her dearly. We wish her well as she continues to implement innovative solutions for ensuring that all students have access to high-quality education outcomes, especially students with special needs.

Due to the challenging timing of the transition, Ms. Moore will retain her DSST email address and be available for limited contact through the end of this school year.

rachael.moore@scienceandtech.org. Otherwise, please reach out to me with any questions and thanks again to Ms. Moore for her outstanding service for our students this year.

Queridas familias

Este es un anuncio sobre la partida de uno de los miembros de nuestro equipo de liderazgo de Byers esta semana. Como saben, hemos priorizado la educación especial este año y continuaremos como una comunidad escolar. Una parte de nuestro objetivo fue contratar a un destacado líder de educación especial, Rachael Moore, como Director de Servicios Especiales este año. Tristemente, la Sra. Moore dejará Byers para tomar otra oportunidad dentro de la educación especial en Ohio, efectiva esta semana.

Estamos profundamente agradecidos con la Sra. Moore por su compromiso con nuestra misión este año y la echaremos mucho de menos. Le deseamos lo mejor a medida que continúa implementando soluciones innovadoras para garantizar que todos los estudiantes tengan acceso a resultados educativos de alta calidad, especialmente estudiantes con necesidades especiales.

Debido al momento desafiante de la transición, la Sra. Moore retendrá su dirección de correo electrónico de DSST y estará disponible para contacto limitado hasta el final de este año escolar. rachael.moore@scienceandtech.org. De lo contrario, comuníquese con nosotros si tiene alguna pregunta y gracias de nuevo a la Sra. Moore por su excelente servicio para nuestros estudiantes este año.
