Catch-22 by Joseph Heller

I love hiking, spending time with friends and family, and learning new things about the world!

Prior Experience in Education:

I've taught at or been involved with the community at schools in Detroit, Brazil, Ann Arbor, Chicago, and Denver!

Something Super-Unique About Me:

I have three first names!

Why I am Excited About Working at DSST:

DSST's Mission and Core Values echo my teaching philosophy and what drives me to be the best educator I possibly can be. With my background in history, I feel that nothing in this world has the potential to be more transformative than eliminating educational inequity and encouraging society to, above all else, do their very best.
