A Learning Experience that Changed Me:

My experience working as an AmeriCorps after college taught me a lot about service, community, and education.

My Favorite Book:

The Sympathizer by Viet Thanh Nguyen

My Hobbies and Interests:

I love books, music, movies, and podcasts. Playing music is one of my favorite things to do. I also love biking, hiking, road trips, and pizza.

Prior Experience in Education:

This will be my second year teaching English at Byers. Before working here, I taught at Colorado Academy and West Early College. I also worked for various education nonprofit organizations before teaching.

Something Super-Unique About Me:

My name has a total of 19 different letters.

Why I am Excited About Working at DSST:

I'm really excited to be coming back to Byers in our high school because of the incredible community that we have. Students care deeply about making our school and world a better place and that's inspiring. We're building out our high school this year and I think that makes working at DSST Byers a very dynamic place to work because we have so many opportunities to create and make a difference.
