### A Learning Experience that Changed Me:

My first year here at Byers changed me so much. It was challenging and exciting to work in a school with such an important mission, surrounded by educators who share my values and passion. I grew so much last year!

### My Favorite Book:

No way I could pick one!

### My Hobbies and Interests:

reading, walking, researching, weight-lifting, traveling, cooking, playing brain games

### Prior Experience in Education:

2 years teaching 7th grade English  
 3 years teaching 9th grade English  
 2+ years teaching Humanities

### Something Super-Unique About Me:

In preparing to become a mother, I learned A LOT about labor and delivery in the U.S. It's best not to get me started...

### Why I am Excited About Working at DSST:

I truly agree with DSST's position that our education system needs transformation - it's why I became a teacher! What's more, I agree with the way our network does it, by working intentionally to eliminate educational inequity.
