

Mr. Pesce

University of Colorado

ELC

A Learning Experience that Changed Me:

Helping run a summer camp for a non-profit organization taught me how much I love being in a teaching environment and really just how wonderful it is to be around kids. It opened my eyes to how much I still have to learn.

My Favorite Book:

The Giver Quartet by Lois Lowry, House of the Spirits by Isabel Allende, Don Quijote by Miguel de Cervantes, and of course the Harry Potter series by JK Rowling

My Hobbies and Interests:

Reading (lots of reading), exploring Denver, spending time with family and friends, being in the sun, traveling

Prior Experience in Education:

I taught English as a Second Language in Spain for a year to every grade from Pre-K (3 year olds) to seniors in high school. I also spent the last two years as a librarian at an elementary school in Denver.

Something Super-Unique About Me:

My full name (including maiden name) includes names from 4 different languages: Siouan, Spanish, English, and Italian.

Why I am Excited About Working at DSST:

I am excited for my first year at DSST because I truly believe that the entire community believes that every student deserves a great education and strives to ensure that all students are successful. I can't wait to be a part of that!
