FAMILY SATISFACTION SURVEY
Family Satisfaction Surveys are coming soon! We value input from our families – and we want to hear from you! You are an important partner as we work to better our learning environment for students and families. This survey helps us understand how well our school is supporting your students’ needs and the results will be included in our School Performance Framework (SPF) rating.

We are asking for your feedback via the annual DPS Family Satisfaction Survey, which is contained inside this packet. These surveys are anonymous and confidential. We will never see your individual responses, only the total and averages at the school level.

To participate, please complete the survey contained in your May 15th packet and return it in the district-provided, prepaid return envelope by June 7, 2019. Each household should only fill out one survey. If you have more than one student at the school.

We really appreciate your feedback and look forward to learning from your input.

STP PARENT SOCIAL
Please join STP for a social on Wednesday May 8th from 5:00-6:30pm at Blackbird Public House, 305 S. Downing Street.

YEARBOOK SIGNING PARTY
Save the date for our Yearbook Signing Party on May 22nd. We can't wait for everyone to see the amazing yearbook our students created.
