

A Learning Experience that Changed Me:

I spent this past year traveling the world and teaching English in Vietnam. Forming relationships with friends and "family" in Vietnam really made me appreciate the ability to connect with others, even when you don't speak the same language.

My Favorite Book:

The Map of Salt and Stars by Zeyn Joukhadar

My Hobbies and Interests:

I love to read, travel, hike, camp, cook, and spend time with family and friends.

Prior Experience in Education:

I completed my undergraduate at Indiana University in Bloomington. Go Hoosiers!

Something Super-Unique About Me:

I have been to 30 countries before turning 30!

Why I am Excited About Working at DSST:

I took this past year off from working at DSST and truly missed it so much! I love working at DSST because of the relationships I'm able to form with students. I'm also motivated to work on such a high performing team.
