A Learning Experience that Changed Me:

I coached my first High School level soccer team in 2014, and I learned that the only way you can't do something is if you don't try. Never having coached before I learned the value of being positive, embracing a crazy new environment with an open mind, and setting a good example because you never know who is looking up to you.

My Favorite Book:

Legend series by Marie Lu & The Help by Kathryn Stockett

My Hobbies and Interests:

Going on adventures with my 2 kiddos Little Zach and Luciano and watching them grow like little weeds and turning them into little Marvel fans like their parents, and going to concerts on my limited spare time!

Prior Experience in Education:

I worked at a high school for 4 years prior to DSST, and became very involved in their community. I also coached their girls JV soccer team for 2 years.

Something Super-Unique About Me:

I prefer winter over any other season and I am completely submerged in the Marvel universe!

Why I am Excited About Working at DSST:

I am excited to be a part of such a positive community who is also very excited to be here! I can't wait to be a part of something that is continuously growing, and make my own little mark.
