A Learning Experience that Changed Me:

My 5th grade teacher, Mrs. Bell, was the toughest teacher I ever had. I was actually scared of her going into 5th grade. She turned out to be the best teacher I ever had a really brought out the best in me. It's really amazing the impact this one individual made on my life.

My Favorite Book:

The Passage Trilogy by Justin Cronin

My Hobbies and Interests:

My pups - Davy Jones and Eliza Doolittle, travel, cooking (and eating!), reading, going to concerts, biking (no hills please), and photography.

Prior Experience in Education:

This is my second year at Byers, before I was at Brown Elementary for 2 years while I was working on my Masters at Regis University!

Something Super-Unique About Me:

I've traveled to over 20 countries and lived in 3 of them. I've also been to 40/50 of the US states and lived in 5% of them. You can also ask me about my thumbs.

Why I am Excited About Working at DSST:

I'm so excited to be in a middle school with such an amazing team and community. It is an absolute privilege it is to work with such a special group of people.
