Colorado**

Registrar

A Learning Experience that Changed Me:

In third grade, my teacher taught us the meaning of perseverance and since then I knew that no matter how difficult something may be to achieve, you always have the ability to persevere. I remind myself of this word and its meaning any time I feel like giving up on anything.

My Favorite Book:

The Alchemist by Paulo Coelho

My Hobbies and Interests:

Spending time with my family and my fur baby. Going on walks and baking with my sister.

Prior Experience in Education:

I briefly worked as a preschool teacher. The amount of patience and creativity that these educators have is incredible.

Something Super-Unique About Me:

I practiced martial arts for 10 years

Why I am Excited About Working at DSST:

I am excited to work for a school that shows such an importance on character development. I am also excited to be challenged in ways that I have not been challenged before and am excited to be able to make a positive impact within the Falcon community.
