A Learning Experience that Changed Me:

When traveling in Laos I learned they are the most bombed country per capita in history. This is a direct result of actions by the U.S. military, who dropped more than 2 million tons of unexploded ordnance (aka bombs) on the country during the Vietnam War and has taken no meaningful accountability.

My Favorite Book:

East of Eden by John Steinbeck

My Hobbies and Interests:

Hobbies: traveling, reading, camping, and cross-stitching

Interests: my dog (Brinkley), true-crime podcasts, and trying to keep plants alive

Prior Experience in Education:

For the past 3 years I taught Composition at DSST: Montview.

Something Super-Unique About Me:

I've been to every continent except Antarctica.

Why I am Excited About Working at DSST:

I deeply believe in DSST's mission to end educational inequity. Every day that I come to work, I see teachers and staff go above and beyond to do what's best for students. DSST may not be perfect (no one is!), but as a network we continually show up, stand up for what is right, and fight to empower ALL voices.
