My Hobbies and Interests:

Books, sports and outdoors, foreign languages, church, watercolors, ice cream

Prior Experience in Education:

Something Super-Unique About Me:

I have this mysterious little patch of white hair on the back of my head

Why I am Excited About Working at DSST:

I love working here because of the people. This organization is full of wonderful individuals of char strong character who care deeply about every student and staff member. That is the kind of place I want to spend my days.
