DSST Weather closing procedures

DSST adheres by Denver Public Schools' weather school closing decisions. If DPS closes or has a delayed opening, DSST will do the same. The school-closing announcement will be posted at www.dsstpublicschools.org, www.dpsk12.org an all mayor news channel. If DPS is NOT closed or on a delayed schedule, DSST will be open. Should DSST need to close school early for other emergency reasons, every attempt will be made to inform parents/guardians in order to arrange for transportation.

School of choice process starts this year on January 15th for school year 2019-20

This year DPS is introducing new resources to help families more easily participate in SchoolChoice. This includes a new online, mobile-friendly tool with which families will submit their Choice application. All families need to get started is an email address.

Lots of support will be available for families, including: the SchoolChoice telephone hotline (720-423-3493); access to computer labs and technology support at schools; one-on-one support from SchoolChoice staff; online information to help families use the new School Finder and SchoolChoice application tool; community events; and more.

For DSST families:

1.– If you have a student currently attending 8th grade and would like him/her to continue to DSST GVR HS, your family does NOT need to participate in the School of Choice process, if you would like to change your student to another school then save the date.

Remember that DSST gives preference to siblings who are currently attending DSST GVR MS or HS.
