

RAPTOR RUNDOWN

December 10th

Dear Raptor Families,

We are excited to see our students thriving in this new trimester, and we are working hard alongside them to be sure they go into winter break feeling confident and excited about how they are doing in school. This month we have talked as a community about service, and asked students to think about how to be a part of serving their community during the holiday season. Many students have already been doing this through helping each other every day at school!

We have enjoyed seeing all of you at conferences, and we thank you for your presence and support.

Sincerely,

Caroline Gaudiani
School Principal DSST: GVR MS
