Paychecks and progress reports

DSST would like to remind parents that every Tuesday, advisors send home:

Progress Report: This report shows the weekly progress in all classes and attendance, Advisors require a parent signature, if the student do not return it, they will get a deduction in their weekly paycheck, 3 deductions equals a refocus.

Paycheck: the amount reflects the learning and behavior while at their classrooms, when a student follows the DSST Core values means they are participating, following directions, treating their peers and teachers with respect...if the student do not return it, they will get a deduction in their weekly paycheck, 3 deductions equals a refocus.
