

RAPTOR RUNDOWN

August 31st

CLUBS Schedules

All clubs met after school from 3:50 to 4:45, permission slips are available at the club wall outside room 133.

DPS transportation is available for afterschool intervention and clubs to GVR and Montbello. If your student has an intervention, CP/EH, mandatory tutoring or leadership program, your students must serve the intervention, your students cannot be excused, this applies to sports practice too. Please talk to your students about signing up for clubs as the school will not be making automated calls to notify parents that students will be staying for clubs and sports

- Glee club— Tuesday @ music room Janeka.taylor@scienceandtech.org
- Journalism club— Thursday robin.taylor@scienceandtech.org
- Art club— Tuesday @ art room erin.dvorak@scienceandtech.org
- Photography club— Tuesday corey.martin@scienceandtech.org
- Anime club: Thursday quincy.shannon@scienceandtech.org
- Dance/Hip hop club— Monday/Friday Ouima.marshall@scienceandtech.org

Ordering Bus Pass

If you would like to order a bus pass for your student, please ask your students to sign the list at the front office, front office staff will be sending the request to DPS transportation, we will notify the student when the pass arrives to school, this pass might take up to 2 weeks to arrive. If you need more information about routes and pass, please contact therese.stockdale@scienceandtech.org.

Thank you

Drills at the Evie Dennis Campus

Thank you for choosing DSST:GVR MS to provide educational Services to your child. We are proud to be able to serve you and your children and we will continually strive to provide a safe learning environment for them. The safety of your child and all children in our schools as well as the safety of the school staff and support personnel is very important to us. In order to maintain a safe environment for our children to study and learn, it is necessary that we practice our emergency and crisis response plans by having drills designed to exercise our procedures. We will be conducting various drills through out the school year. This bulletin is to help you understand the importance of this as well as to understand each type of drill. The students and staff of your school will be practicing 3 primary emergency drills each year. They are "FIRE DRILLS"; "LOCKDOWN DRILLS"; and "SHELTER-IN-PLACE DRILLS". Each type of drill is explained below.

FIRE DRILLS The school will conduct a "fire drill" each month that school is in session. This is a Fire Code requirement as well as a requirement by Denver Public Schools. We want each student to understand and be aware of the importance of this drill and not be afraid when the fire alarm is sounded. By practicing they will know what to do and how to do it.

LOCKDOWN DRILLS The school will conduct one "Lockdown Drill" each semester of the school year as a campus. This type of drill will secure the school building and safely shelter all students, staff and visitors inside the building. The purpose of this drill is to keep the students safe from any danger outside or inside the building. During a "lockdown drill" all of the perimeter doors to the school building will be locked and will remain locked until the danger or issue outside or inside the building is removed. To enable everyone to remain safe, no one will be allowed to enter the building or leave the building until the authorities authorize such a release. Parents and families will not be notified for drills.

SHELTER-IN-PLACE DRILLS The "Shelter-in-Place" drill will be conducted 1 time a semester each school year. The purpose of this drill is to be prepared to move to a safe location within the building in case of severe weather or tornados. Please remember that these safety practice drills are done to help maintain our schools as a safe place to learn and work.

If you have questions, please contact the main office at 303-524-6300 x 8023104.

Thank you
