Official Count Day
We need your support on making sure your student is at school and on time for all of next week especially on Wednesday, October 2nd. This (Oct 2nd) is our official October Count day and we need your student to be here in order for us to get funding for your student. The money we get for October Count is what helps us fund things throughout the year for our students such as field trips, materials for school, events, and much more. We look forward to your support with getting your student to school and on time!
